SPECIAL THANKS TO:
ZEENA HAZURI, KENT A. THOMPSON &
ERICA ROBINSON

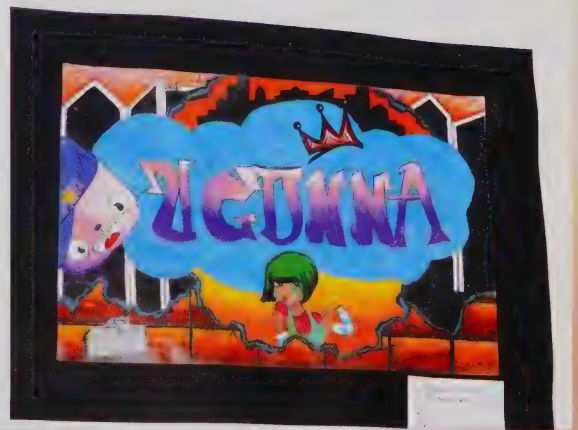

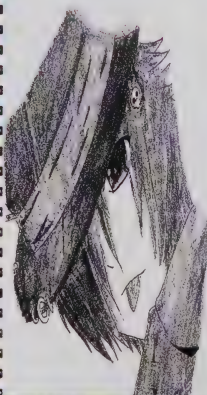

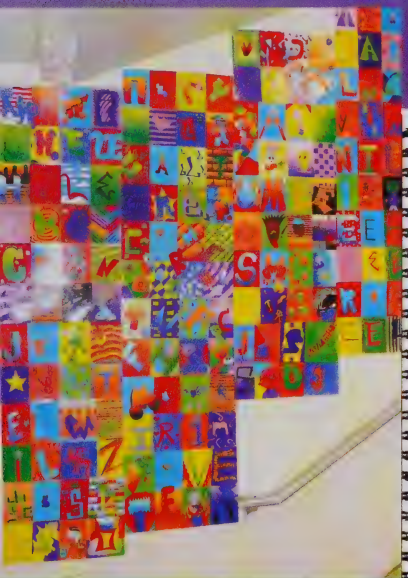

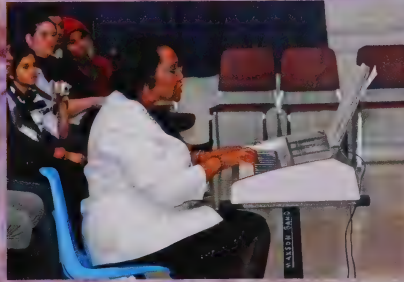

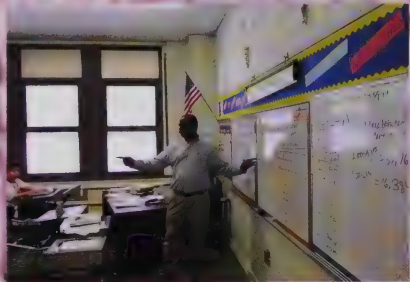

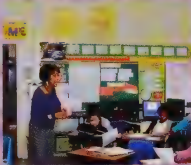

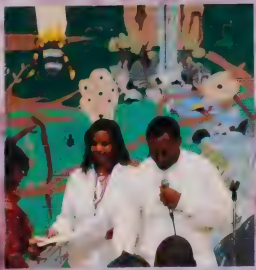

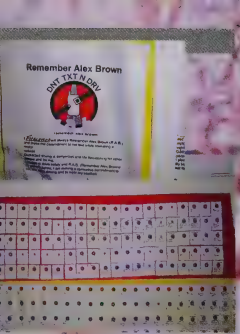

Everyone should have a friend like you,
 You are so much fun to be with,
 And you are such a good person,
 You crack me up with laughter,
 And touch my heart with your kindness,
 You have a wonderful ability,
 To know when to offer advice,
 And when to sit in quiet support,
 Time after time,
 You've come to my rescue,
 And brightened so many,
 Of my routine days,
 And time after time,
 I've realized how fortunate,
 I am that my life includes you,
 And I really do believe that,
 Everybody should have a friend like you,
 But so far it looks like,
 You are one of a kind!

STUDENT ART WORK

C a n d i d s

Twin Day

The staff and students dressed alike for twin day.

CLASS OF 2011 REMEMBER WHEN...

REMEMBER THE GOOD TIMES

We had our field day in 7th grade and it was very fun

I was the funniest guy in class, having fun and eating everything I wanted

At the end of last year we had a water balloon fight and everyone was laughing and running around, it was fun

It snowed and everyone came to school and had a snow ball fight

I remember all the concerts and the teachers

Last years field day and when we had trailers

6th grade field day and when all of my friends from last year used to walk home

We had the fire drill and had to go to Woodland

We had the Black History dinner and it was delicious

Steven had a dance off in the lunch room

We went to the Planetarium

We had A & B days

We had dance class

I made friends and have countless, yet precious memories

My friends and I built a pyramid on field day

Bruce Harper from the Jets came to Ms. Noble's class to speak to us

I knew I would have a ghetto, but fun and educational experience

Aydee, Carol, Martha and I were laughing loud and the principal scolded us and after five minutes we were laughing again

Class of 2011

Remember when...

We had our anti-bully program

Maxson played Hubbard in basketball and won both games

The Maxson boys first basketball game of the year, blow out

Black history month doll decoration contest

First day of school seeing new people and old friends

We had dress down days

We had a Halloween and Valentines day dance

I first came here an everyone looked different. Most were taller then me.

I met my friends and they made me laugh hahaha, funny.

It was the first day of school and I really didn't know anyone. Now that I am down to my last days at Maxson I have got to meet a lot of people that mean a lot to me.

When I made new friends and became popular

I met my friends when we had field day and we all played around and I fell and almost broke my butt, most fun day ever

I met one of my best friends in the 6th grade and when we had our first dance

We didn't have to wear uniforms
